Parent Notification
Speech/Language Screening Results

_____ Date

To: _____

From: _____, Speech/Language Therapist

_____ was screened for speech/language concerns
on: _____.

Results indicated:

- Communication skills were found to be adequate. No further testing is needed at this time.
- Speech/language screening results indicated the need for further observation and tracking. Re-screening will be conducted at a later date if needed.

Comments: _____

- Screening results revealed that further testing is needed. Your child's teacher will be in contact with you to initiate the referral through the local School Building Level Committee.

If you have any questions, please call me at (985) _____.
