

SECTION IV: OPERATIONS

X. PASSENGERS WITH TEMPORARY DISABILITIES

Students with temporary disabilities, if allowed to attend school, shall be permitted to ride the regular bus provided that they:

1. Can independently board and exit the school bus through the front service door.
2. Obtain a note from their medical provider indicating that such transportation will not further aggravate their medical condition.
3. Sit in the front section of the school bus so as minimize the bouncy bus ride (avoid seats behind the rear bus tires).

If the student is not capable of riding a regular school bus, then they must follow the transportation procedures outlined in Section VI titled Transporting Students with Special Needs.

ⁱ Revised Date July 1, 2008.
