

## SECTION VI: TRANSPORTING STUDENTS WITH SPECIAL NEEDS

### C. TRAINING

#### 1. First Aid

In addition to the standard first aid training, bus drivers and bus attendants maybe required to complete additional first aid training when assigned students with specific needs that require additional training.

#### 2. Wheelchair Loading and Securement Procedures

Attendants shall review appropriate educational and training materials including the procedures for Loading and Unloading Wheelchair Passengers covered in this manual (See Section VI-H) in addition to receiving "hands-on" training in the field with a veteran driver and/or attendant.
