

Now you can turn My Coke Rewards points into rewards for our school.

Our school has joined

mycokerewards for schools™

As school representatives, we only want the best for our children. We know education plays a major role in shaping their lives. That's why our school has registered for the My Coke Rewards for Schools program. Now by drinking the products that you and your family enjoy every day, you can donate points to provide our school with the resources we need.
