Literacy Night Brings Fun and Education Together!

Perrin recently held its Annual Literacy Night which involved our students and their parents. The teachers presented the parents with great simple ways to teach their child at home. The students had lots of fun visiting each table and playing the games. The parents also commented that it was a great event which allowed them to socialize with all of the other parents. It is safe to say that Literacy Night was a Hit!!

SPRING FLING WAS A HUGE SUCCESS!!!

The Spring Fling could not have gone any better!! The students were so excited to see all the games to play and the good treats to eat. We also had an overwhelming amount of parental support and involvement which was awesome! The faculty agreed that everything was just perfect. The students made our day when they shared this comment, that it was "THE BEST DAY EVER"!! Thanks to everyone that helped to make our Spring Fling a Success!!
