

Tangipahoa Parish School System

Technology Acceptable Use Policy (AUP) – revised July 2013

The Tangipahoa Parish School Board believes it is necessary for all persons to become aware of acceptable use of computers. Any person using computers or other electronic information resources shall be required to use such equipment and resources in a responsible, legal manner. The School Board retains the right to monitor all computer usage and files for compliance to all regulations and/or procedures.

Age and grade appropriate classroom instruction shall be provided regarding Internet and cell phone safety. Such instruction shall include appropriate online behavior, interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response, as well as areas of concern as authorized in state and federal law.

Technology, particularly Internet access, is available to students and employees in the Tangipahoa Parish School System.

The Tangipahoa Parish School Board's goal in providing these resources to its students is to enhance innovative education for students through access to unique resources and collaborations. Furthermore, teachers will improve learning and teaching through research, teacher training, collaboration, and dissemination of successful educational practices, methods, and materials.

Guidelines are provided so that the technology users are aware of the responsibilities they are about to assume. Responsibilities include appropriate, efficient, ethical, and legal utilization of network resources. . All users, including students, employees, or any other users of School Board computers, hardware, and Board network shall abide by all policies of the School Board and any applicable administrative regulations and procedures.

All users shall sign the Technology Contract on a yearly basis. The signature shall be binding and indicates that he/she has read the terms and conditions carefully, understands their significance, and shall adhere to their provisions. These should be kept on file at each school or office.

TERMS AND CONDITIONS

1. Acceptable Use - Technology resources in our school system shall ONLY be used to support teaching and learning.

 - a. The illegal installation of copyrighted software for use on district computers is prohibited.
 - b. Transmission of any materials in violations of any U.S. or state regulation is prohibited. This includes - but is not limited to - copyrighted software, music, videos, and other materials protected by trade institutions.
9. Vandalism – Vandalism will result in cancellation of privileges and/or other disciplinary actions. Vandalism related to technology is defined as any malicious attempt to harm or destroy the equipment or data of another user, LAN, WAN, or other networks that are connected to the TPSS network. This includes, but is not limited to, the uploading or creation of computer viruses.

10. Consequences of Misuse
- According to the Tangipahoa Parish School Board *Policy Manual*, school principals shall discipline any user who accesses, sends, receives, or configures electronically any profane, threatening, bullying, intimidating, harassing, pornographic and/or obscene language or pictures.
 - The use of off campus resources including web pages, social networking sites, or Web 2.0 sites that subsequently cause "material disruption" at school is prohibited and the responsible student will be disciplined in accordance with the parish assertive discipline plan.
 - Any individual failing to follow the above "Terms and Conditions" is subject to appropriate disciplinary measures as determined by school administrators, the Superintendent, and/or the TPSS Technology Department. Students may receive consequences of steps 2 through 6 on the assertive discipline ladder.
 - Employees who choose to violate the *Acceptable Use Policy* may be subject to adverse personnel action.
11. Monitoring – Teachers agree to instruct the students on acceptable technology use and monitor all student technology use to ensure student compliance with this policy. Students agree that teachers and administrators have the right to monitor ALL student activity using the network and other technology resources.

CODE OF CONDUCT

This Code of Conduct applies to all users of these technology resources. Honesty, integrity, and respect for the rights of others should be evident at all times. Photographs may only be permitted with current, signed state department of education photo release on file. Students will not be identified by full name in conjunction with a recognizable picture. Students will only be identified by first names.

The technology user is held responsible for his/her actions and activities. Unacceptable uses of the network and/or technologies will result in disciplinary action including possible revocation of these privileges.
