

Tangipahoa Parish School System now has an app that can be downloaded to your mobile device to help you stay in better touch with what's going on in our school district. The app is free and ready for you to download to your mobile device from either the Apple iTunes Store or Google Play.

Search for **Tangipahoa** and you will see the logo above. Tap to Download.

If you don't see it when you search, tap the option at the top of the screen **"iPhone only"** which will allow you to download to your phone AND/or your iPad.

Even though this is an app for the Tangipahoa Parish School System, the viewer can also choose the school(s) that they are interested in and they will receive announcements, headlines, etc. from that school's website as well.
