

Getting To Know You Activity

Teacher Notes

If you like this activity but are looking for something a little more challenging, check out my [Fraction Getting To Know You 2](#). If you're looking for some great math ideas or some more free worksheets please visit my [website](#) or [blog](#)! If you need a math worksheet created feel free to email me (brianne@nbrivera.com) directly.

Getting To Know You Activity

You have in front of you a circle divided into 8 pieces. Follow the steps below to create a personalized circle. It will help me get to know you better, and allow you to show your classmates who you really are. Feel free to color or design any way you choose as long as we can still see the information!

- 1) In $\frac{1}{8}$ of the circle: **Your name**
- 2) In $\frac{1}{4}$ of the circle: **Your family**
- 3) In $\frac{1}{8}$ of the circle: **Your best vacation memory**
- 4) In $\frac{1}{8}$ of the circle: **Your favorite pizza topping(s)**
- 5) In $\frac{1}{8}$ of the circle: **Your favorite sport to watch or play**
- 6) In $\frac{1}{4}$ of the circle: **Your favorite hobby**
