

Tic-Tac-Toe

1

Play with a partner. Player X solves a problem on the Tic-Tac-Toe sheet without using a calculator.

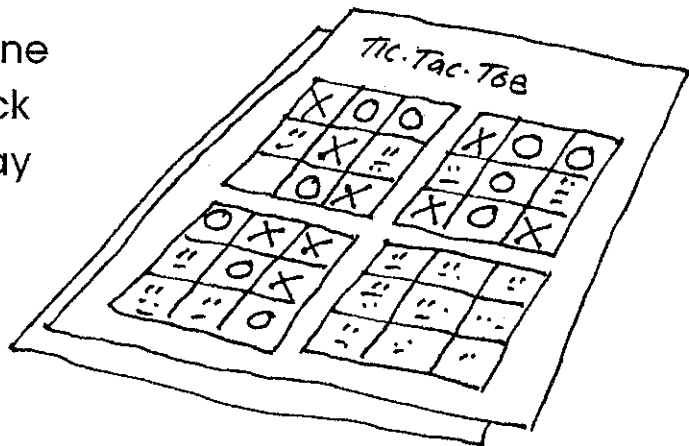

2

Both players: Check the problem with a calculator. If the answer is correct, make an X in the square. If the answer is incorrect, make an O in the square.

3

Player O takes a turn. Keep taking turns until one player has 3 in a row. Pick a different sheet and play again.

Challenge

Fill in a blank sheet with your own problems, and play with a partner.

Player X _____

Player O _____
