

Student Assignment Plan Changes for the 2018-2019 School Year!

Hammond Area Changes:

In 2018-2019, Woodland Park Magnet School will service students in grades PreK – 6 who reside in the Woodland Park attendance zone.

In 2018-2019 school year only, Woodland Park Magnet students who will be entering 7th or 8th grade will be zoned to attend Hammond Eastside Magnet. However, for this year only, 7th and 8th graders may choose to attend Greenville Park Leadership Academy instead by requesting a *School Choice Option* by July 19, 2018.

The District is attempting to contact the parents of the Woodland Park 7th and 8th graders to notify them of the change and the *School Choice Option*. Please contact the Registration Center at 985-474-8690, 985-474-8691, or 985-474-8695 to request the *School Choice Option* by July 19, 2018.

No request for the *School Choice Option* will be accepted after July 19th. In the event a request is not received on or before July 19th, the students will be automatically enrolled at Hammond Eastside Magnet School.

Independence Area Changes:

Beginning in the 2018-2019 school year, the attendance zones for Independence Leadership Academy and Independence Magnet School will be combined into one attendance zone.

Students in grades Pre-K – 4 will attend Independence Leadership Academy at 221 Tiger Avenue, Independence. Students in grades 5 – 8 will attend Independence Magnet School at 300 W. 2nd Street, Independence.

Independence parents are not required to re-enroll or complete any paperwork. The TPSS Technology Department will make the change electronically.
