

For quick access to WebPams, follow the below directions to bookmark the link.

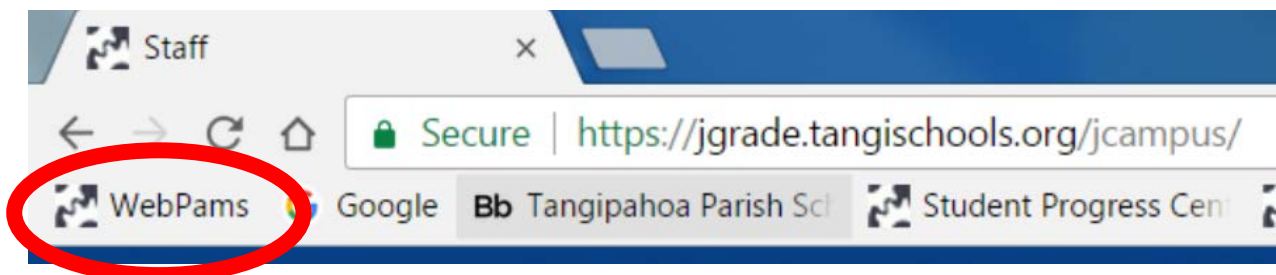

Open Google Chrome and go to <https://jgrade.tangischools.org/jcampus/>. On the top right corner of the screen, click on the star:

You will see the below screen come up. The name of the shortcut defaults to “Staff.” You can rename the shortcut “WebPams.” Once you rename the shortcut, click “Done.”

Now all you have to do when you need to get to WebPams is click on the Google Chrome icon on your desktop, then click on the “WebPams” shortcut you just created. This will take you to the WebPams login screen.
