School Messenger Attendance Instructions

Click Telephony

Do you wish to use the new EDGEAR Home Interface Command Center? 
If not, click 'NO' to load the Telephony Standard Dashboard.

Click Yes
Click Day Atnd …. Click Daily Attendance
The setup screen should look similar to the screen above. Verify everything is correct. Pay close attention to the skip codes. Click Okay.

The list is generated. Uncheck anyone you don’t want the system to call.

Click SendVoiceMessage
Type your school code:

Ex. Amite Elementary would type: S:\ 001
    Nesom would type:          S:\ 021

The path must be the same as above.

Click OK

Click OK

The attendance clerk will receive an email report of the phone calls that were made.
