

# Logging in to Oncourse Connect

## For Students, Parents and Guardians

The OnCourse Connect portal allows parents, guardians and students to view grades, attendance, homework, and other information online.

**Parents will automatically receive an OnCourse Connect account.** The login information will be sent home after school begins in August.

*It is best to use the Chrome browser when accessing OnCourse Connect.*

1. Go to [www.tangischools.org](http://www.tangischools.org)
2. Scroll down and on the left side of the screen click on **Oncourse Connect**

3. Parents/Guardians: Using your Username and Password given by your school, log into the side that is labeled **Guardians**, then click **Log In**.

A screenshot of the Oncourseconnect login page for Tangipahoa Parish. The page has a blue background with a white cloud logo at the top. Below the logo is the text "oncourseconnect" and "Tangipahoa Parish". There are two login sections: "Students" and "Guardians". Each section has a "Please fill in your username and password given to you by your district and click the link below to begin." instruction, a "Enter Username" field, an "Enter Password" field, and a "Log In" button. A red arrow points from the "Forgot password?" link in the Guardians section to a yellow sticky note on the right.

**If you forgot your username, contact the school office.**

**If you forgot your password, click the "Forgot Password?" link on the login screen.**

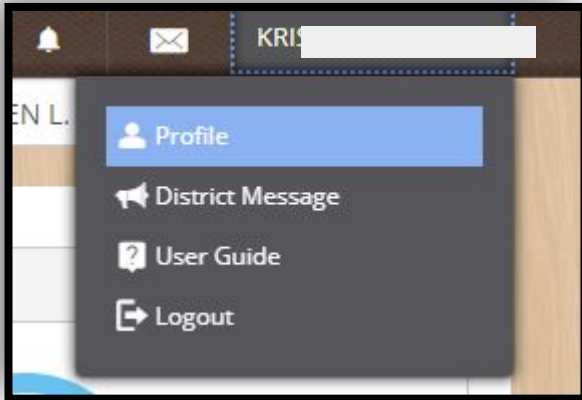

**Accessing the site from a mobile device?**

Open the internet browser app and navigate to [www.tangischools.org](http://www.tangischools.org)

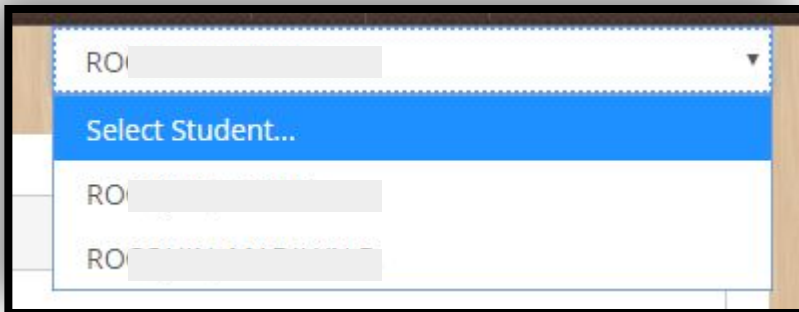

Scroll down to see the student and parent links.

Bookmark the page for easy access!

4. Once you are logged in, click on **Your Name** at the top right-hand corner and then **Profile** to change your **Password**. Don't forget to click **Save**. Choose a password that is familiar to you and write it down in a secure location, so that you can remember it.

5. If you have more than one child in a school, click the down pointing arrow to select the child you wish to view.

6. By default, you are on the **Dashboard** Tab. Make sure to scroll down to see all information located on this tab. Click through the other tabs to find more information. Remember, anything **BLUE** is a link which means you can click on it to get more information.
