Visit us ONLINE to REGISTER TO ATTEND and/or submit a LESSON PROPOSAL!

We are on a search for our brightest techie educators to flip roles for a fun day of learning. You could be a shining example of exactly who we want!

We would like to invite you to submit a proposal to present in this special professional development opportunity for our Tangi teachers.

We are looking for innovative teachers who work hard to incorporate technology into their classrooms. If you are chosen to present, you will develop a 50 minute class where you will model a real lesson, share ideas, or explain practical ways that our Tangi Teachers can pull technology into the curriculum.

From apps, to iPads, to Digital Devices and WebTools... We want to see it all!

If you are interested in being a part of this wonderful opportunity, please visit the [PROPOSAL](#) link on our Flip Flop PD webpage.

Fill out and submit the form online.

**Lesson Plan Proposal due Friday, March 17<sup>th</sup>.**

5 points for each 50 minute lesson presented (2.5 if co-presenting), Max of 2 lessons.

Door prize drawings at the closing session

**You must stay for the entire conference to receive Tech Points.**
