Types of Absences

1. **Non-exempted excused absences**-absences incurred due to personal illness or serious illness in the family (documented by acceptable excuses, including parent notes) which are not considered for purposes of truancy, but are considered when determining whether or not a student is eligible to make up work and tests, receive credit for work completed, and receive credit for a course and/or school year completed.
2. **Exempted excused absences**-absences which are not considered for purposes of truancy and which are not considered when determining whether or not a student is eligible to make up work and tests, receive credit for work completed, and receive credit for a course and/or school year completed.
3. **Unexcused absence**-any absence not meeting the requirements set forth in the excused absence and extenuating circumstances, including but not limited to absences due to any job unless it is part of an approved instructional program. Students shall be given failing grades in those days missed and shall not be given an opportunity to make up work.
4. **Suspension**-a non-exempted absence in which a student is allowed to make up his work and is eligible for consideration for credit provided it is completed satisfactorily and in a timely manner. The absence is considered when determining whether or not a student may or may not be promoted, but is not considered for purposes of truancy. Students absent from school as a result of any suspension shall be counted as absent.
