## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Members of the  
Tangipahoa Parish School Board  
Amite, Louisiana

We have performed the procedures included in the *Louisiana Governmental Audit Guide* and enumerated below, which were agreed to by the management of Tangipahoa Parish School Board (the School Board) and the Legislative Auditor, State of Louisiana, solely to assist users in evaluating management's assertions about the performance and statistical data accompanying the annual financial statements of Tangipahoa Parish School Board and to determine whether the specified schedules are free of obvious errors and omissions as provided by the Board of Elementary and Secondary Education (BESE). Management of Tangipahoa Parish School Board is responsible for its performance and statistical data. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings relate to the accompanying schedules of supplemental information and are as follows:

### General Fund Instructional and Support Expenditures and Certain Local Revenue Sources (Schedule 1)

1. We selected a random sample of 25 transactions and reviewed supporting documentation to determine if the sampled expenditures/revenues are classified correctly and are reported in the proper amounts for each of the following amounts reported on the schedule:
  - Total General Fund Instructional Expenditures
  - Total General Fund Equipment Expenditures
  - Total Local Taxation Revenue
  - Total Local Earnings on Investment in Real Property
  - Total State Revenue in Lieu of Taxes
  - Nonpublic Textbook Revenue
  - Nonpublic Transportation Revenue

No findings were noted.

### Education Levels of Public School Staff (Schedule 2)

2. We reconciled the total number of full time classroom teachers per the schedule “Experience of Public Principals, Assistant Principals, and Full Time Classroom Teachers” (Schedule 4) to the combined total number of full time classroom teachers per this schedule and to School Board supporting payroll records as of October 1.

No findings were noted.

3. We reconciled the combined total of principals and assistant principals per the schedule “Experience of Public Principals, Assistant Principals, and Full Time Classroom Teachers” (Schedule 4) to the combined total of principals and assistant principals per this schedule.

No findings were noted.

4. We obtained a list of full time teachers, principals, and assistant principals by classification as of October 1 and as reported on the schedule. We traced a random sample of 25 teachers to the individual’s personnel file and determined if the individual’s education level was properly classified on the schedule.

No findings were noted.

### Number and Type of Public Schools (Schedule 3)

5. We obtained a list of schools by type as reported on the schedule. We compared the list to the schools and grade levels as reported on the Title I Grants to Local Educational Agencies (CFDA 84.010) application and/or the National School Lunch Program (CFDA 10.555) application.

No findings were noted.

### Experience of Public Principals, Assistant Principals, and Full Time Classroom Teachers (Schedule 4)

6. We obtained a list of full time teachers, principals, and assistant principals by classification as of October 1 and as reported on the schedule and traced the same sample used in procedure 4 to the individual’s personnel file and determined if the individual’s experience was properly classified on the schedule.

Findings: LaPorte noted two (2) exceptions per our procedures. Two teachers from the PEP report as of October 31, 2014 were listed as having an active teaching certificate. LaPorte used the website [www.teachlouisiana.net](http://www.teachlouisiana.net) to confirm the teaching certificates listed on the October 31, 2014 PEP report and noted that the certificates were expired.

### Public School Staff Data: Average Salaries (Schedule 5)

7. We obtained a list of all classroom teachers including their base salary, extra compensation, and ROTC or rehired retiree status as well as full-time equivalents as reported on the schedule and traced a random sample of 25 teachers to the individual’s personnel file and determined if the individual’s salary, extra compensation, and full time equivalents were properly included on the schedule.

No findings were noted.

8. We recalculated the average salaries and full time equivalents reported on the schedule.

No findings were noted.

#### Class Size Characteristics (Schedule 6)

9. We obtained a list of classes by school, school type, and class size as reported on the schedule and reconciled school type classifications to Schedule 3 data, as obtained in procedure 5. We then traced a random sample of 10 classes to the October 1 roll books for those classes and determined if the class was properly classified on the schedule.

Findings: LaPorte noted two (2) exceptions per our procedures. Two classes from the Louisiana Department of Education LEADS Class Detail Report did not agree to the class rosters. The variance caused the student count to fall outside of the reported class size range.

#### Louisiana Educational Assessment Program (LEAP) (Schedule 7)

10. We obtained test scores as provided by the testing authority and reconciled scores as reported by the testing authority to scores reported on the schedule by Tangipahoa Parish School Board.

No findings were noted.

#### Graduation Exit Examination (GEE) (Schedule 8)

11. The Graduation Examination (GEE) is no longer administered. This scheduled is no longer applicable.

#### iLEAP Tests (Schedule 9)

12. We obtained test scores as provided by the testing authority and reconciled scores as reported by the testing authority to scores reported on the schedule by Tangipahoa Parish School Board.

No findings were noted.

We were not engaged to perform, and did not perform, an audit, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the management of Tangipahoa Parish School Board, the Louisiana Department of Education, the Louisiana Legislature, and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.
